I.E.R.H.A. Report on

The mobile clinic visits **Grand Marais Community Central, 36058 Hwy. 12 every Thursday 9 a.m. - 4:45 p.m.** to serve all of the East Beaches.

The overall activity is now being reported, with these highlights.

“The number of patients has been around 45-48 for May/June & July. The NPs and PCNs have been pleased with their clinic days here as they are very busy days for them. Slow Internet connectivity has been a problem which will be addressed.”

The most recent detailed information provided for the month of June shows Total Visits & Phone consultations: (52); Acute Issues (37) and Chronic (20).

A variety of 27 concerns were addressed, and there were 3 appointments where the person did not arrive or cancel.

In most cases walk-up traffic has been accommodated with same-day appointments.

GMCC NEWS:

The main hall of the building is attracting a variety of events. The offices on the Medical side of the building are available for rent. If you know of any possible tenants, please refer them to the att: Terry Neplyk.

The website for the Grand Marais Community Central has been updated, including a new web address.

Check it out for the most current information at: www.grandmaraiscommunitycentral.ca
